

June 2004
Early Action Compact Progress Report

County Name: Greenwood

Was the Local Early Action Plan for the county submitted to DHEC by March 31, 2004?	Yes
In April 2004, what did EPA designate the county for the 8-hour ozone standard?	Attainment

1. In an effort to keep our contact information updated; please provide the following information for your county:

	Name	Telephone	E-mail Address
Administrator/Manager	James Kier	864.942.8507	jkier@co.greenwood.sc.us
EAC contact	Phil Lindler	864.942.8636	phil@co.greenwood.sc.us

2. Describe any progress (if applicable) since your March 2004 submittal? (stakeholder meetings, events held; special projects; etc.)

The Greenwood County Council has made significant strides toward ozone reduction over the last quarter. County Council adopted an Energy Element to its Comprehensive Plan on May 18. Also, County Council has made various amendments to its zoning ordinance to increase parking lot landscaping and tree cover and provide incentives for cluster developments. Also, Greenwood County is working with the Bureau of Air Quality for a gas can exchange workshop within the next month.

3. Do you have any requests for specific assistance from DHEC and/or the EPA (outreach services, grants, etc.)?

4. Name of Person Completing Progress Report: Phil Lindler

Date: 6/2/2004
